Portland, OR

**Product:** Oversized - OSD638

**Waterbury City Hall**

Waterbury, CT

**Product:** Modified Luminaire - LA929

**Architect:** Robert W. Grzywacz AIA, LEED AP

### City of Los Angeles, 1st Street Bridge

Los Angeles, CA

**Product:** Custom Lanterns

### Project Description:

The City of Los Angeles looked to ANP to fabricate a custom period lantern and large scale arm for the 1st Street Bridge modernization project. Working from sketches provided by the city, our engineering team and in-house foundry created this distinctive, proprietary lantern and post arm to match the historic architecture of the bridge. The heavy duty, cast aluminum constructed luminaire works seamlessly with the massive bracketed arm as well as a companion pendant mount. The committed partnership between the City of Los Angeles and ANP Lighting made this monumental project both an aesthetic and performance success.

**City of Los Angeles**

Hollywood, CA

**Product:** Luminaire - LA961 with custom arm

**Chinatown**

Los Angeles, CA

**Product:** Custom Luminaire - LA166

### The Monarch

Ogden, UT

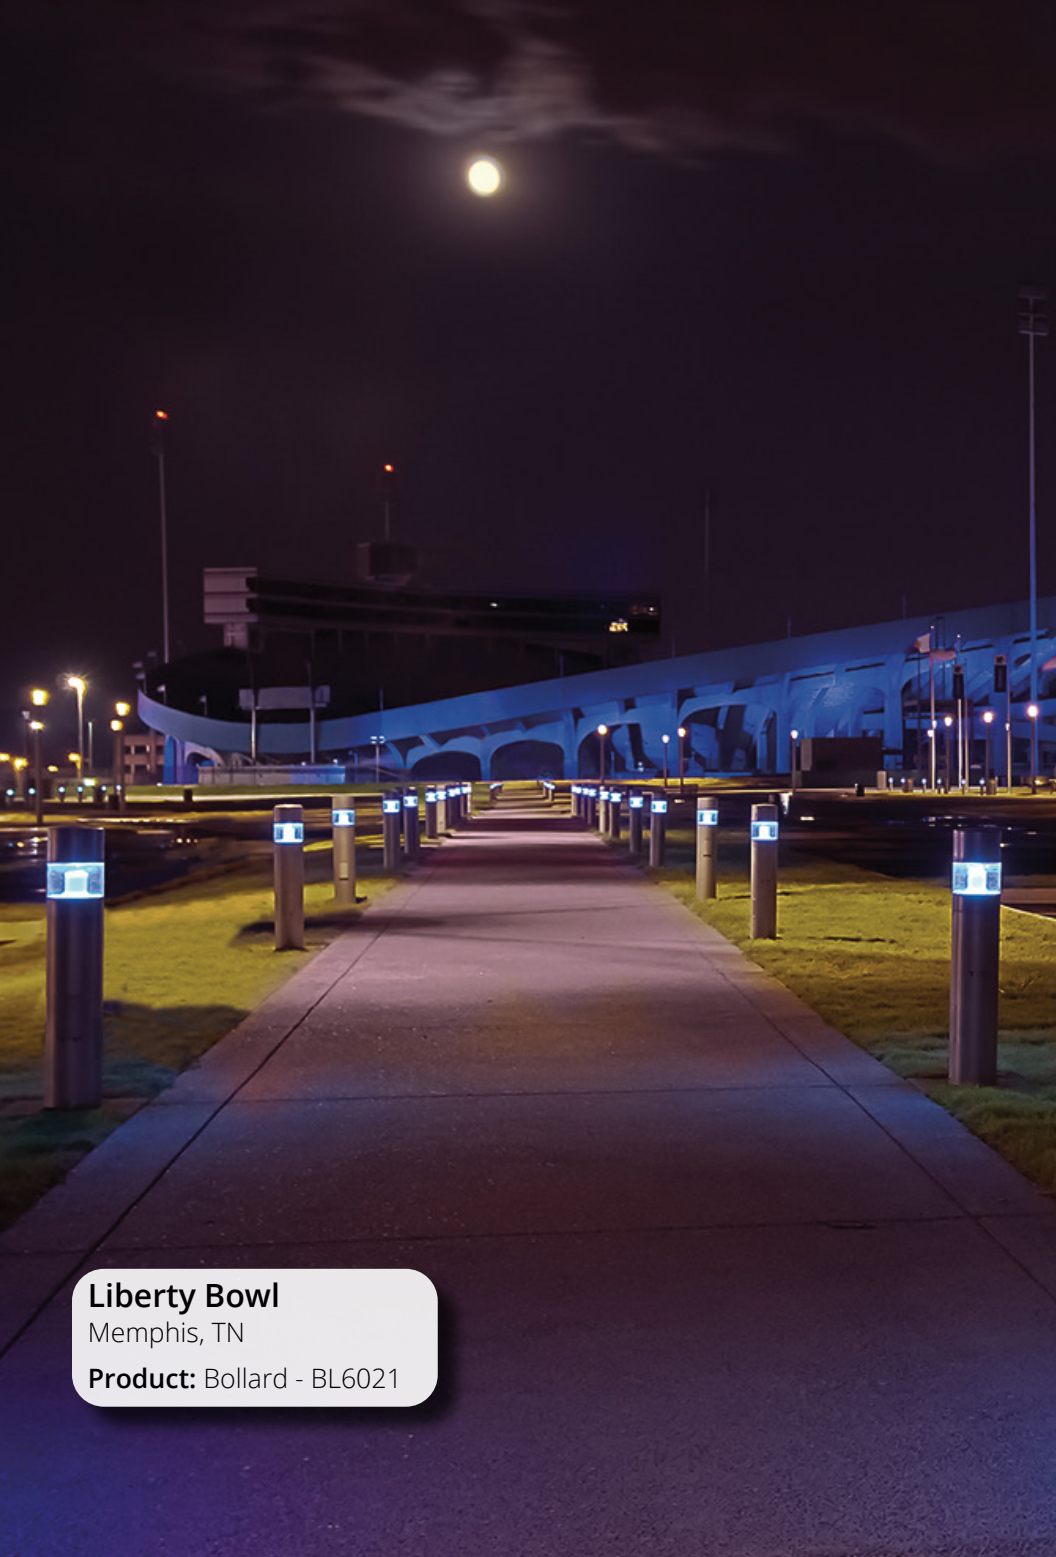

**Product:** Oversized - OSNC40

### Hanger 21 Event Space

Fullerton, CA

**Product:** Warehouse Deep - WD520

### **Liberty Bowl**

Memphis, TN

**Product:** Bollard - BL6021

### **Project Description:**

The City of Memphis and Liberty Bowl Design Group came to ANP Lighting with a sketch. They needed 300 LED bollards that contained a concealed GFI receptacle and would complement other products already specified on the project. The GFI was wired on a separate circuit so tailgate festivities could be shut down and lighting could still be provided for safety.

**Truist Park, Atlanta Braves Stadium**

Atlanta, GA

**Product:** Luminaire - LA160 (Left)  
Retropolitan - EU818 (Right)

**One Paseo Plaza**

Oceanside, CA

**Product:** Angle - A812

**Veraci Pizza**

Spokane, WA

**Product:** Emblem - M712

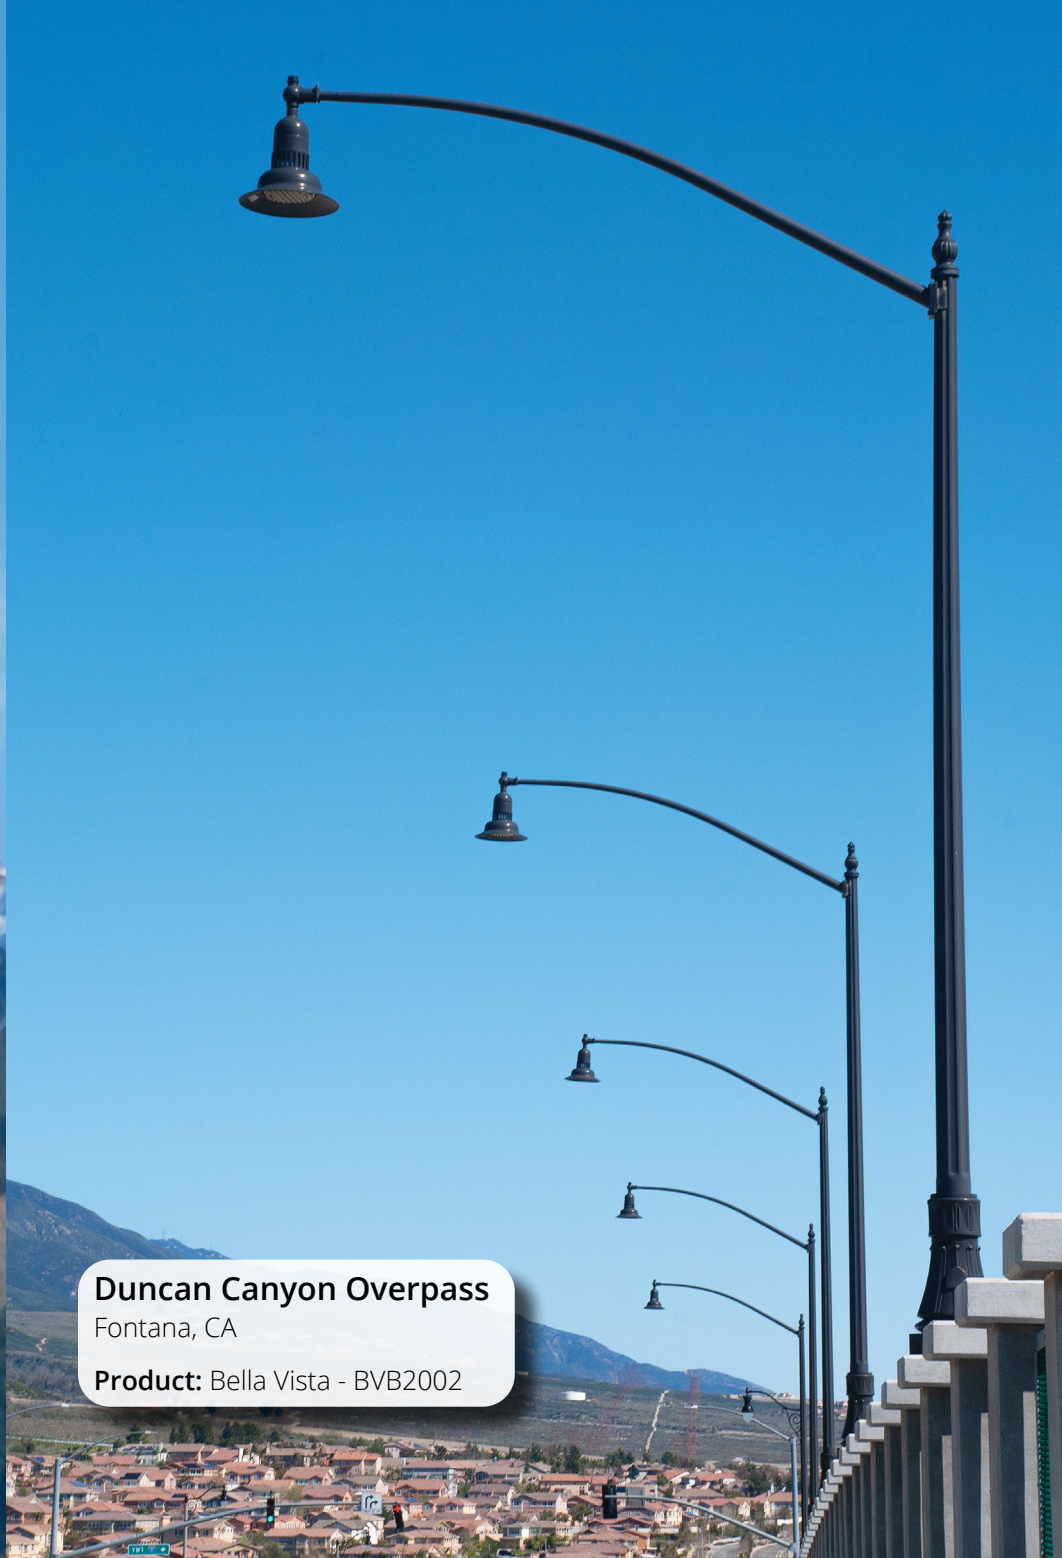

**Betty Ford Park**

Vail, CO

**Product:** Luminaire - LA194

**Electrical Engineers:** Ackerman Engineering.

**Foothill Gold Line**

Duarte, CA

**Product:** Bollard - BL6061

**Electrical Engineer:** Parsons Engineering

**Electrical Contractor:** Mass Electric

**Rep Agency:** Performance Lighting Systems

**City of Lawrence**

Lawrence, GA

**Product:** Bollard - BL4002

Before  
HID light source 50HPS

**Village of Homewood**

Homewood, IL

Before and After retrofit

**Product:** Luminaire - LA160

**Project Description:**

When the Village of Homewood upgraded their downtown pedestrian lighting, they decided to replace the older 50-watt HPS decorative chimney luminaires with an LED luminaire, but wanted to maintain the same style. ANP Lighting had the product and our HighPro™ LED technology platform was readily available, so the entire update took just six weeks from design to installation.

**Orange County Apartments**

Orange County, CA

**Product:** Luminaire - LA664

**Wilderness Lodge**

Orlando, FL

**Product:** Deep Bowl - D616 (Left)  
**Custom Luminaire - LADW800 (Right)**

**Lighting Designer:** Lighting Design Alliance
